	Mainframe App Modernization.	
Tech Stack:	Mainframe(Z/OS)	COBOL
	JCL	DB2
	Teradata	Impact Analysis
Client:	Meijer, Inc. is a family-owned regional American supercenter chain operating in the Midwest. Its corporate headquarters is in Walker, Michigan, at Grand Rapids. Founded in 1934 as a supermarket chain Meijer operates over 200 stores throughout Michigan, Ohio, Indiana, Illinois, Kentucky and Wisconsin. The supercenter stores offer groceries as well as departments such as fashion, automotive, home decor, health and beauty care, pharmacy, electronics, and banking. Meijer pioneered the idea of a superstore when, in 1962, it opened its first "Thrifty Acres," a food and general merchandise store that allowed customers to shop for everything they needed with just one trip to the store. Today brothers Hank and Doug Meijer, grandsons of the founder, run the company. The chain was ranked No. 19 on Forbes' 2015 list of "America's Largest Private Companies" and 19 in Fortune's 2008 "The 35 largest U.S. private companies". In 2016, Supermarket News ranked Meijer No. 15 in the 2016 Top 75 U.S. & Canadian Food Retailers & Wholesalers. Based on 2015 revenue, Meijer is the 26th-largest retailer in the United States.
